**\*\*NOTES\*\***

None of the campgrounds are “officially” open yet. All campgrounds are accessible, however all sites may not be usable. Please use care to avoid resource damage. If a spot is too wet or snowy, do not camp there. There is no water available. The Bear River Ranger Station will be open starting, Friday, May 25, 2012. The ranger station will be open Thursdays through Mondays from 8:00 a.m. to 4:30 p.m.

Please note that because of the pine beetle problem, the campgrounds and dispersed camping sites may have hazard trees in them. Please look up and around before deciding on a spot to camp.

Christmas Meadows, Stillwater, and Sulphur are only reservable during the summer season (early June – Labor Day). Any other time, they are first come first serve.
